Traveling This Spring? Let Us Know!

Before you leave, be sure to let us know so that we can put a travel notice on your account. Also, consider taking a Travel Money Card instead of using your debit card, it's safer. Have a great trip!

Congratulations to Our First Saver's Sweepstakes® Winner!

Congratulations to Kevin K., the first winner of the monthly Saver's Sweepstakes® drawing!

Part of our mission as a credit union is to return value to our member-owners, therefore, we're thrilled to provide our members with cash prizes, but even more excited that members are participating and increasing their savings.

Fond du Lac Credit Union is one of eighteen credit unions across Wisconsin to offer the saving incentive program. Participants open a special deposit account that pays them dividends and automatically enters them in monthly, quarterly and annual cash prize drawings. Savers keep all the money they save, plus interest, while earning free chances to win – a no-lose proposition.

Each saver earns one entry into the monthly, quarterly and annual sweepstakes for every \$25 in month-over-month balance increases, up to six entries per month*.

Winners are drawn on the 15th of every month.

**See Fond du Lac Credit Union for complete terms, conditions and official rules. Early withdrawal limits may apply. Federally insured by the NCUA.*

Welcome New Employees!

You may have noticed some new faces since the beginning of the year. In February, FDLCU hired two new employees, while two existing employees have taken on new positions and additional roles.

Maychill Yang was hired to fill the brand new position of a Financial Designer. In her roll, she works directly with new and existing members to help answer questions and open new accounts, as well as consumer loans.

Kasmira Vazquez-Olzon was also hired as a part-time Member Associate. Kasmira is a great addition to our frontline staff and will be working primarily in the lobby to process member's transactions.

Phil Jankowski, previously the Director of Lending, is now the Director of Member Experience. His new position encompasses leadership of both the Lending and Member Service teams.

Caitlynn Carlson, currently our Marketing Coordinator, is now also working as a part-time Member Associate in our Drive-up.

These changes and additions will help us create exceptional member experiences!

64th Annual Meeting

Programming is offered to anyone and everyone - and covers all facets of personal finance from establishing a budget to first time home buying to Medicare.

Some of the most popular events include: Movie Night, Estate Planning, "Medicare: Where Do I Begin?," How-To Day, and Shred Day.
